Dear Marizda and Charles

EQUINE PRACTICAL FOR INSPECTORS TRAINING COURSE

We would like to say thank you for accommodating our trainee inspectors for the equine practical as part of their training. Thank you for the insightful and powerful learning experience with your horses. This gave the students practical and meaningful ways to assist horses in the line of duty to protect them from harm and advance their welfare.

The trainee inspectors were really impressed with your lectures and skills and learned so much from you just in one morning. We really appreciate you providing this opportunity for them.

Thanking you

Kind regards

Alana Smal
Training Course Co-ordinator
